Customer Sales - Work from Home - \$20.00 base-appt (Bellingham) Compensation: \$20.00 base-appt. Employment type: part-time, telecommuting ok. We are currently running virtual interviews for customer sales. Work from home, flexible schedules around previous commitments. What openings are available? Primary responsibilities include working with customers through virtual appointments, answering questions, and placing orders. The starting pay is \$20.00 base - appt and it's not based on sales or results (cond. exist). Prior experience is not required. We believe in building our people from the ground up and simultaneously allowing them to expand on their natural abilities in order launch them into a successful career. There is no cost to start working and there isn't any random telemarketing. What schedules are available? Our schedules are flexible around other jobs, family commitments, internships, and classes. If accepted, talk to the manager about your ideal schedule. What do you look for in an applicant? We are looking for people who enjoy working with others, eager to learn, and have a great attitude. Although prior experience isn't required having experience as a server, golf caddy, cashier, hostess, salon receptionists, fast food worker, call center operator, or retail associate is a plus. How do I interview? We are currently running interviews on 1st applied, 1st considered basis. Apply Online TODAY <https://www.vectormarketing.com/vmclFAQ8/> A receptionist will send you a text to set you up with a meeting with the manager. Good luck! What do you look for in an applicant? We encourage applicants of all ages and experience, as we do not discriminate on the basis of an applicant's age. We are looking for applicants who enjoy working with people, willing to learn and apply new skills. All ages eighteen and up or seventeen and a high school graduate. Working at Vector is great for those who are looking for a flexible work opportunity. Part time openings with an option to go full time. Those who have done well with us have had all kinds of work experience (some none at all!) - customer service; retail; office work; receptionist; sales rep; cashier; fast food; barista; stocked shelves at a supermarket; in a call center (which we don't do by the way); telemarketing; entry level or temp work; college student; contractors; data entry; host or restaurant work; freelance worker; intern; salesperson; babysitter or nanny; communications; administrative assistant; admin work; student work; work from home; remote work; landscaping; dog walking... Our training is so good even if an applicant has no experience at all, they can do well here.
