

Employment Hot Sheet

Babysitter: Silverlake Rd Seeking a sitter for my kind, goofy, and imaginative 3 year old as soon as possible. Competitive pay 15-19/hr and only one child to care for. Stay at home moms are encouraged to apply! My little one loves interacting with children of all ages. Morning to afternoon care is needed for approximately 15-20 hours a week on average with flexibility depending on your schedule and the option for more hours. Must be able and willing to provide care in my home. This includes having reliable transportation with active insurance and a driver's license. Meals and beverages are provided for you at my home if you'd like. **IMPORTANT:** Must be someone who follows recommended covid precautions. This includes vaccination. *ok if you have only received your first shot. <https://tinyurl.com/babysitter01>

On Vessel Fish Processing and more: Glacier Fish Company is hiring for Processors to work onboard the F/T ALASKA OCEAN. The Alaska Ocean is an at-sea processing vessel that operates in both the Bering Sea and off the coast of Washington/Oregon. The Alaska Ocean is the world's largest factory trawler. Working onboard an at-sea processing vessel is physically and mentally challenging. The environment is wet and cold and the shifts are long. The job requires physical endurance, repetitive lifting, agility, prolonged periods of standing, teamwork and self-discipline. Crew members make a contractual commitment to being at sea for extended periods of time, leaving family and friends at home. <https://tinyurl.com/boat01>
