DP Community Garden

April 25th 3pm!

Revitalizing the raised garden beds!

Different from last year, no milk jugs this year so no risk of losing the sprouts to the heat!

This year we will be transplanting flowers already in bloom and veggies already strong into the raised garden beds above the DP parking lot!

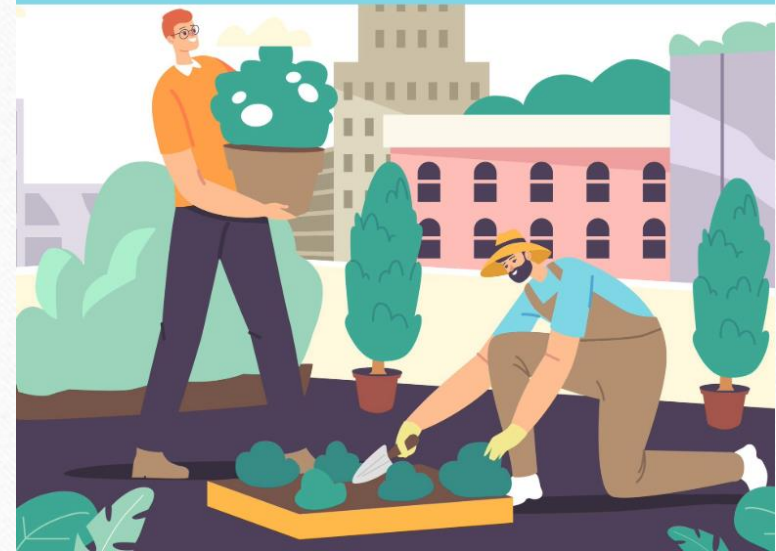

22 North Community Garden

April 18th 3pm Meet in the parking lot!

Adding color and vibrance to the 22 North parking lot area

Different from last year, no milk jugs this year so no risk of losing the sprouts to the heat!

This year we will be transplanting full grown flowers already in bloom into hanging baskets that will be put in the 22 North parking lot!

After a long winter hibernation
Nature Wander Walks

A screenshot of a web browser displaying the 'Wonder Walks' website. The browser's address bar shows two tabs: 'Wonder Walks Registration' and 'Wonder Walks — Wild Whatcom'. The website's header is purple and contains several links: 'WAKE - Whatcom A...', 'Adobe Express', 'Calendar - Bellingh...', 'RGA Claims', and 'Sign in to Sage Inta...'. The main content area has a light green background and features the following text:

Wonder Walks takes a break December-March. First 2024 outing is April 12. We look forward to seeing you!

WHATCOM FALLS PARK

1401 Electric Ave., Bellingham

In April we will be appreciating the changes that springtime brings in Whatcom Falls Park. We will investigate some of the relationships between insects, birds, mammals, and plants, and get curious about whatever we notice on our explorations. We will also flex our creativity by making art inspired by the nature around us.
