Form 990, Part III, Line 2 - In May 2025, Opportunity Council began operating The Way Station Medical Respite Center in partnership with PeaceHealth, Unity Care NW, and Whatcom County. The Agency provides 24-hour staffing and supportive care for individuals experiencing homelessness who are being discharged from the hospital and require a safe place to recover. The Way Station fills a critical community need by supporting health stabilization and reducing barriers to successful recovery following hospitalization.

Form 990, Part VI, Section B, Line 11b - A draft copy of the Form 990 is provided to the Finance Committee and Board of Directors for review and discussion. The Board's review and acceptance of the 990 is documented in meeting minutes.

Form 990, Part VI, Section B, Line 12c - Compliance with the conflict of interest policy is monitored regularly. If a possible conflict of interest is determined, the interested party may make a presentation at the governing board or committee meeting. After the presentation, s/he shall leave the meeting during the discussion of, and vote on, the transaction or arrangement involving the possible conflict of interest.

Form 990, Part VI, Section B, Line 15 - Compensation of the Executive Director is set by the Board of Directors following an annual performance review, last completed in 2025. The Board uses a wage comparability study completed by the HR Department in consultation with the state's community action association. The Executive Director has a signed employment agreement. The compensation of the Chief Financial Officer is reviewed and determined annually by the Executive Director and is informed by the agency wage comparability study.

Form 990, Part VI, Section C, Line 19 - Governing documents, conflict of interest policies, and financial statements are made available to the Board of Directors and their meetings are open to the public. These documents are also available to the public upon written request. The agency posts the audited financial statements on its own website.

Second Program Service Accomplishments Description

Description

include center-based toddler care. The department also increased Play and Learn opportunities at the East Whatcom Regional Resource Center, creating opportunities for parents and caregivers to build connections while supporting children's early learning and social development. In partnership with two local school districts, ELAFS further strengthened school readiness efforts by providing nearly 80 ECEAP slots through a mixed-delivery model aligned with Transitional Kindergarten programs. These efforts advanced equitable access to early childhood education, strengthened family support systems, and helped prepare children for success in school and beyond.

	Housing Enterprise - Opportunity Council has formed a number of separate state limited liability corporations (LLCs) for the purpose of providing certain management and other services to separate entities in which the LLCs are either a noncontrolling member or general partner. The sole member of these LLCs is Opportunity Council. Opportunity Council's Building Performance Center (BPC) provides technical training, quality assurance services, certification exams, and professional consultations that promote safe, healthy, durable, and energy efficient buildings. In 2025, the BPC trained, proctored certification exams, and provided services for 559 people throughout Washington state and beyond. The Community Energy Challenge, CEC, is a community energy efficiency program designed to address the typical barriers to efficiency upgrades for homeowners and commercial building owners and encourage comprehensive EE retrofits that result in substantial savings. In 2025, CEC assisted 53 households in improving energy efficiency in their buildings, including weatherization and envelope measures, electrification upgrades, and heat pump installations at adult family homes.	3,283,363	91,733	5,694,781
